## Preparation Work for Youth Prior to Meeting

### RESEARCH A-E (Bring Answers to Youth Meeting)

#### Best Practices Shared (Integration of Migrants in your community)

- A. What is the current situation in your town and country with refugee and migrant integration
- B. Give examples of best practices and activities on integration of migrants in your town and country (is there local organisations, NGO's, charities, or town organised activities that you are aware of.
- C. What has your town and country tried in relation to integration of refugees that hasn't worked
- D. One idea to do with the integration of refugees in your town and country that could work
- E. How can you put this knowledge into practice in your local community

**Also Research** (Bring answers to Meeting) - Has your country taken it's quota of refugees initially agreed? Or more or less? Why do you think this is?

#### See you in Sweden!
