4. Preparatory work for Education meeting

The agenda for the education meeting has been sent to you recently. We can confirm that the EM delegates do not have any preparatory work prior to the meeting.

5. Activities for Saturday may 12th

For Saturday afternoon, when most of our work is done, there will be some activities you can join:

Oxelö fair

The annually Oxelö fair attracts thousands of visitors to Oxelösund's center, where streets and squares are filled with street shops, music entertainment and various activities. The fair is organised by Lions Club Oxelösund.

The Femore Fortress, a cold war museum

Experience a top secret Cold War coastal artillery fortress. Built into the rock below Oxelösund is a huge nuclear safe bunker, from which 70 soldiers could defend this part of Sweden against an invasion from the Soviet Union and the Warsaw Pact.

The number of visitors is limited, so for this activity we need your registration. Please register your interest before April 13th to linnea.stenfeldt@oxelosund.se

Oxelösund Archipelago by boat

Oxelösund Archipelago is a fantastic place for a boat tour. Join our guided boat trip. Chances are good that we will see eagles and with some luck we will meet some of the 2000 grey seals which periodically visit the archipelago.

The number of visitors is limited, so for this activity we need your registration. Please register your interest before April 13th to niklas.telin@oxelosund.se

Please notice. This activity is dependent on good weather and can be cancelled at short notice.

On your own

Oxelösund offers many things to do and places to visit. Have a look at our website <https://www.visitoxelosund.se/en/>

Please let us know if you need more information or any help with bookings etc.
